Experience

Project Manager

july '23 - present PIVOTAL

- Collaborate with Clients, Principal, and project team to establish project design direction and critical goals.
- Coach and mentor junior staff in production, organization and coordination of Revit model and drawing set documents as required for presentations, agency approvals and construction.
- Develop and manage budget and schedule, anticipate required staff and workflow in relation to broader firm needs and goals.
- Drive business development, draft project proposals, review and negotiate contracts, present to Clients.
- Practice firm leadership promoting communication and vulnerability, testing feedback strategies, and encouraging growth of colleagues.

Architect

jan '21 - July '23 SHOPWORKS

- Lead and supervised teams, working independently, and under direction of others during all phases of project work focused on multifamily & permanent supportive housing.
- Practiced, researched, and shared knowledge on Trauma Informed Design best practices.
- Steered entitlement processes with AHJ, consultants, client to meet project goals and financing deadlines.
- Created LIHTC applications, zoning memos, feasibility studies, construction / contract documents.

Project Architect

jun '18 - oct '20 EUA

- Contributed to project teams in many phases - visioning, programming, SD, DD, CD, and CA in multiple project types: workplace, K-12, data centers, historic preservation.
- Created construction drawings, specification outlines, submittal and RFI responses, energy models, renderings, field verification analysis.
- Lead and managed initiatives including Sustainability Committee (AIA 2030 Commitment); R&D Committee (VR, Cove.Tool testing); DEI discussion group; POE research.

Architecture Intern

nov '14 - jun '18 PENDULA

- Executed as-built drawings, schematic designs, sketch models, and project proposals in residential and commercial concepts.
- Managed office invoicing including tenant rents and printing / plotting shop.
